

Farimex drops Russian court case against Telenor, 16.04.2010.

MOSCOW, April 16 (Reuters) - Vimpelcom VIP.N investor Farimex has dropped its Russian court case against Norway's Telenor (TEL.OL), its lawyer, Dmitry Chyorny, told Reuters on Friday.

"We decided to withdraw the suit as there has been a resolution," he said.

The news potentially opens the door for the Russian mobile group's planned merger with Ukraine's Kyivstar.
